

PARENT INVOLVEMENT:

Parents help to run the Kindergarten through the Governing Council.

There is an Annual General Meeting each year in term 1 and the council is elected. There are meetings one to two meetings a term and the date and time is arranged each year with the new Council in order to facilitate maximum participation.

Some of the responsibilities include:

- Management and administration of Centre
- Financial Management of the Centre
- Maintenance and development of grounds and equipment
- Supporting educators in the provision of a quality service

HOW YOU CAN HELP: We welcome and enjoy parents being part of the learning environment and engaging with children in a wide range of activities such as reading to children, cooking, helping on the computer and playing board games. If you have skills you can share with us we would love to know, e.g. cooking, playing an instrument, a sport or hobby or a special interest.

HOME BORROWING RESOURCES:

LIBRARY:

We have a library basket available for home borrowing

HOME BORROWING LITERACY AND NUMERACY KITS:

We have a wide range of high quality play based educational kits for you to share at home with your child.

PRESCHOOL HEALTH CHECKS:

Child Youth Health four and a half year old developmental health checks are offered through the Kindergarten.
